Championship Grades and Status

Definitions.
These definitions are taken from the International Sporting Code and the General Regulations of the MSA as appropriate.

International
Open to any holder of an International Competition Licence valid for the type of event.

National A
Open to any holder of a domestic (MSA) International or National A Competition Licence valid for the type of event.

National B
Open to any holder of a domestic (MSA) International, National A or National B Competition Licence valid for the type of event who must also qualify by being a current and bone fide member of an invited motor club as specified in the Championship Regulations.

Closed to Club
Open to any holder of a domestic (MSA) International, National A or National B Competition Licence valid for the type of event who must also qualify by being a current and bone fide member of the Championship Organising Club.

Commercial Championships

The RCCP will deem a Championship to be Commercial for which awards include cash, vouchers or goods in lieu of cash, either rally by rally, or as the result of a series of rallies, or in which the Sponsor’s name or title is used in connection with the title of the Championship or series.

Vouchers will be valued at their published value. Goods in lieu will be valued according to their RRP.

2014 Championship Fees (2015 Fees to be advised)

International
Subject to individual negotiation.
