We will include an encrypted image on your licence. You are therefore required to submit a passport size photograph which must be representative of your current image. This is for your protection to guard against any possibility of improper use. For subsequent renewals a replacement photograph is not required unless there has been a material change in your appearance.

CLERK OF THE COURSE

If you are applying to become a **Probationary Clerk of Course** you must be a minimum age of 18 and are required to enclose a letter of endorsement, recommending your application, from an MSA recognised club, which organises the appropriate type of event. Your previous motor sport experience will be taken into account, so please also provide a motor sports C.V.

MEDICAL

If you are applying to become a **Registered Doctor** a current GMC Registration, together with Professional Indemnity Insurance, must be in place for the licence to be valid.

If you are applying to become a **Registered Paramedic** a current HCPC Registration must be in place for the licence to be valid.

If you are applying to become a **Registered Medical Assistant** your application must be supported by the Chief Medical Officer of the venue where it is intended you will attend MSA Permitted events, and an HCPC or Nursing & Midwifery Council Registration is required for the licence to be valid. Professional Indemnity Insurance – Registered Paramedic's / Registered Medical Assistants

Professional Indemnity Insurance is required for the licence to be valid. This cover does not extend to any other category of medical personnel. It does not cover those paramedics or medical assistants attending MSA authorised events as a result of a commercial contract between their employers and the meeting organisers, promoters or venue owners or operators, where the minimum level of required indemnification is £2,000,000 (Samaritan cover is not adequate).
